Professional Summary

I am actively seeking a novice position that will enable me to further enrich and explore the technical knowledge I have gained during my three-year tenure at Burdwan University. With a BE degree from the University Institute of Technology college, I have also acquired adeptness in Web Development through supplementary courses.

Education

Year	Degree/Examination	Institution/Board	Specialization/Stream	CGPA/Percentage
2024	Bachelor of Engineering	University Institute Of Technology, University Of Burdwan	Information Technology	8.838/10.0
2020	Intermediate (Class XII)	R K College Madhubani, Bihar	Science (PCM)	419.0/500.0
2018	Matriculation (Class X)	NM High School Gangaur, Madhubani	General Subjects	372.0/500.0

Internship and Certifications

Goldman Sachs | FinTech Engineering Virtual Experience Program (Goldman Sachs)   November 2022 - December 2022

Description: It's a virtual program provided by fintech in collaboration with Goldman Sachs. In this program, I was given a task to check the security level of passwords.

Projects

Quiz Web Maker | Self (link)   March 2023 - March 2023
- **Tech Stack**: HTML, CSS, JavaScript, ReactJs, Redux, Material UI, NodeJS, Express, MongoDB
- **Description**: It is a quiz website maker application. An Admin can create, Update and Delete the quiz, A Student can visit the link shared and attempt the quiz.
